BEST

Woven Landscape Fabrics

DeWitt Weed-Barrier® 20 Yr. 4.1 Oz.

Perfect for Permanent Landscapes. The original DeWitt Weed Barrier 20 Year is the best in the industry for cost-conscious professional and commercial installations. It is also ideal for retail consumers who demand professional quality products. Our DeWitt Weed Barrier 20 Year is a 4.1-Ounce, woven polypropylene, needle-punched fabric with reinforced fiber for extra durability. Colored stripes located 12-Inch apart make for easy plant alignment. Rolls of consumer DeWitt Weed Barrier 20 Year are available in disposable displays and permanent retail sales racks.

DeWitt Pro-5 Weed Barrier is the industry's best 5 ounce woven, needle-punched polypropylene fabric. Designed for professional and commercial use, the Pro-5 has been approved by leading landscape architects and most government agencies.

Pro-5 Weed Barrier conserves soil moisture, increases growth and prevents unwanted weeds from germinating. Twelve-inch spaced, colored lines make for easy plant alignment.

- Stops Weeds Without Chemicals
- Allows Air, Water and Nutrients to Penetrate
- Enhances Plant Growth
- Prevents Mulch Decay
